## Drone World Congress 2024 & International Low Altitude Economy and UAS Expo 2024

### LETTER OF INVITATION

May 24<sup>th</sup> - 26<sup>th</sup>, Shenzhen, China

Dear Chairman Mr. Javier Fernandez of BMAC Air Force Club,

On behalf of the WUAVF (World Unmanned Aerial Vehicle Federation), we wish to invite BMAC Air Force Club to be our prestigious Guests to attend the 8<sup>th</sup> Drone World Congress 2024.

WUAVF values its relationship with You and BMAC Air Force Club and wishes to cooperate in a sustainable way to create opportunities for Your Members to engage successfully in the communications with the global drone industry. With this official writing we acknowledge our genuine willingness to have BMAC Air Force Club at our global event, which will be held from May 24<sup>th</sup> - 26<sup>th</sup>.

In order to make sure that we can easily communicate, the WUAVF suggests a centralized approach of handling invitations for Your Esteemed Group from this year (2024) onwards please details below and feel free to make any suggestions:

The WUAVF offers the following:

Seats provided at the Main Conference:	20
Transportation:	Airport pick up & drop off plus event related logistics (Bus; Specific Period)
Air Ticket & Accommodation:	In principle paid by Participant (discounts to be announced) (See attachment: Hotel Information DWC 2024)
Seating Main Dinner:	VIP Table
Booth at the UAS Expo:	The Group can represent itself at the Expo with their related companies from the participants' Countries with varying industries and Country / corporate materials - please contact us for additional details (see page 3 & 4)

In case the above stated is of Your Group's interest please contact us so we can arrange the necessary details together such as delegation information and other information.

**Overview of the DWC 2024:**

The Drone World Congress (DWC) consists of 40 international sub-forums for the high level of academic exchanges and technology demonstrations, discussing topics covering vehicle development, regulations, applied systems. These applications are actively used in civil aviation, national defense, architecture & construction, fire-fighting, environmental protection, agriculture, and so on. In summary, the Shenzhen International UAV Expo provides a cooperation platform for international UAV industry organizations, global experts, entrepreneurs, and is globally recognized by all drone industry stakeholders.

It would be our greatest honor to have You and BMAC Air Force Club as our distinguished Guests.

Should You have any questions, please don't hesitate to communicate with us at a time of Your convenience.

We look forward to receiving You all in Shenzhen.

Sincerely,

Mr. YANG Jincal  
Chairman of World UAV Federation  
Shenzhen UAV Industry Association
